Each of the four Promotion Periods constitutes a separate pool of entries and are therefore separate promotions. All Promotion entries for a respective Promotion Period must be received prior to the end time and date specified for such Promotion Period stated above. Entries submitted past the expiration of the respective Promotion Period will be accepted for the subsequent Promotion Period, so long as it is not Promotion Period Four. If an entry is submitted past the expiration of Promotion Period Four, then the entry will not be accepted and will be destroyed. The Promotion consists of a Grand Prize Sweepstakes (the "Sweepstakes") and a Weekly Sweepstakes (the "Weekly Sweepstakes"). A Grand Prize Sweepstakes prize will be awarded at the conclusion of each Promotion Period and a Weekly Sweepstakes prize will be awarded at the conclusion of each week of each Promotion Period. A promotional day ("day") as defined in these official rules is from 12:00:01AM EST to 11:59:59PM EST.

Notification: Administrator is an independent judging organization whose decisions as to the administration and operation of the Promotion and the selection of the potential winner are final and binding in all matters related to the Promotion. The potential winner will be notified by mail, email or phone. Upon receiving the Winner notification response, Administrator may send each potential Winner an Affidavit of Eligibility and Publicity (where legal) and Liability Release (if a United States resident) OR a Declaration of Eligibility and Liability Release (if a Canadian resident), which will need to be completed, signed and

returned to Administrator within seven (7) days of receipt of the Release. If a resident of Canada, the potential winner must also correctly answer a time-based mathematical skill-testing question by phone without assistance of any kind prior to and as a condition of being declared a winner. If any Prize notification or attempted notification is returned as undeliverable or if potential winner cannot be reached within seven (7) days of the first attempt to contact the potential winner, that Prize may be forfeited and awarded to an alternate Winner, time permitting. Administrator and Sponsor are not responsible for lost, late, damaged, delayed, or illegible paperwork. By signing the Release, Winners acknowledge compliance with these Official Rules. Odds of winning a Prize depend upon the number of eligible entries received. Potential winners must continue to comply with all terms and conditions of these Official Rules, and winning is contingent upon fulfilling all requirements. In the event that a potential winner is disqualified for any reason, Sponsor will award the applicable prize to an alternate winner by random drawing from among all remaining eligible entries. If a resident of Canada, the alternate winner must also correctly answer a time-based mathematical skill testing question by phone or in person without assistance of any kind prior to and as a condition of being declared a winner. If the Sponsor discontinues the Promotion for any reason, Sponsor, in its sole discretion, may elect to hold a random drawing from among all eligible entries received up to the date of discontinuance for any or all of the prizes offered herein. Residents of Canada must also correctly answer a time-based mathematical skill testing question by phone or in person without assistance of any kind prior to and as a condition of being declared a winner. No more than the stated number of prizes will be awarded. In the event that production, technical, seeding, programming or any other reasons cause more than the stated number of prizes as set forth in these Official Rules to be available and/or claimed, Sponsor reserves the right to award only the stated number of prizes by a random drawing among all legitimate, un-awarded, eligible prize claims.
